4001 S. Wayne Rd

Wayne, MI 48184

Phone: (734) 721-8602

Fax: (734) 721-7032

The Wayne Housing Commission offers housing at various locations within the city. At this time, we do not offer the Section 8 Voucher Program. Rental charges are based on 10% of the tenant's gross yearly income, or 30% of their net income, whichever is greatest, OR a flat rent fee can be assessed if the tenant prefers.

The Public Housing units offered include:

36 - one bedroom units are designated for seniors only (62 or older)

18 - one bedroom family units

10 - two bedroom family duplexes

10 - three bedroom family homes

2 - four bedroom family homes

Any applicant may qualify for housing as long as the income level requirement establishing low income status and all other Wayne Housing Commission requirements are met.

The Wayne Housing Commission hereby conforms to the Fair Housing Amendment Act of 1988 and has available barrier-free units for those applicants requiring accommodations.

The wait at this time is **at least five years**, depending of the size of the unit required and the turnover time for each unit. When a unit is available, the next applicant on the waiting list will be contacted by first class mail at the last address on file for that applicant. Letters are sent once a year to applicants to update their contact information, so it is important to supply the Wayne Housing Commission with any change of address in writing.

Applications are available by visiting the Wayne Housing Commission office at 4001 S Wayne Rd, Wayne, MI 48186 or on the City of Wayne website (www.ci.wayne.mi.us).

If you or anyone in your family is a person with disabilities, and you require a specific accommodation in order to fully utilize our programs and services, please contact the Wayne Housing Commission.
